Nairobi, Kenya

PROFESSIONAL PROFILE

Child Protection and Social Work professional with 5+ years of experience across NGO and government settings, with a strong focus on child protection, case management, family tracing and reunification, safeguarding, psychosocial support, community outreach and programme implementation. Demonstrated impact includes supporting the successful reintegration of 80+ street-connected children, contributing to a 30% increase in successful family reunifications, securing education opportunities for 20+ vulnerable children, and reaching 1,000+ girls through menstrual health programming. Experienced in coordinating multidisciplinary interventions with government agencies, NGOs, schools, families and communities, alongside data collection, analysis and programme reporting.

PROFESSIONAL EXPERIENCE

Embrace A Street Child
Social Worker

Nairobi, Kenya
January 2021 – Present

- Managing reintegration of 80+ street-connected children through case assessment and family tracing, increasing successful reunifications by 30%.
- Conducting home visits, case monitoring and psychosocial support to strengthen family stability and reduce repeat street involvement among reintegrated children.
- Securing full education scholarships for 20+ vulnerable children by assessing needs and coordinating with partners, expanding access to education.
- Coordinating multidisciplinary child protection interventions with government agencies, NGOs, schools, and communities, accelerating support for vulnerable children.
- Conducting community outreach and family assessments to identify protection needs, improving case identification and enabling timely interventions.
- Support accurate case documentation and management of child protection information, including the use of CPIMS and structured data systems

Huru International
Program Facilitator

Nairobi, Kenya
May 2019 – March 2020

- Collected and analyzed programme data from 50+ schools and vocational institutions, strengthening programme planning and resource allocation.
- Delivered life skills and health education through interactive counselling sessions, improving adolescents' reproductive health and substance abuse awareness.
- Reached 1,000+ girls through menstrual hygiene education and reusable sanitary towel distribution, improving menstrual health management and school attendance.

Department of Children Services
Children Officer Intern

Kiambu, Kenya
May 2018 – August 2018

- Documented and assessed 100+ child-related cases by listening to children and accurately recording their concerns, ensuring their voices informed case decisions and advocacy efforts.
- Prepared and issued formal summonses by following established case procedures, supporting timely attendance and compliance with departmental requirements.
- Facilitated arbitration sessions as a neutral party by guiding constructive dialogue and negotiations, helping parties reach mutually acceptable resolutions
